Plastigo is a global brand owned by Huaxiang Industrial Co., Ltd., located in Jiangmen, Guangdong, China. Founded in 1994, Huaxiang Industrial has specialized in the wholesale of PP (polypropylene) and PE (polyethylene) plastic raw materials for nearly 30 years, becoming a well-recognized and respected enterprise in South China. With a stable business model and an excellent reputation, the company's annual sales have exceeded RMB 2.5 billion, consistently providing reliable and high-quality raw material supply to numerous domestic and international manufacturers.
